2026 UK HANDMADE COLLECTION

Our Story

Heart & Soul Studio create a series of fun and engaging, yet affordable paper-made products. With over 40 years of industry experience, we began our journey by becoming leaders in quality handmade Christmas crackers. As we continue to expand and grow, we proudly hold onto our legacy, bringing with us a wealth of experience and knowledge.

As experts in paper made products, we have a diverse offering, and in 2026 our collection showcases a diverse range of premium materials and finishes. From glitter and hand-marbled papers to delicately hand-stamped designs, each cracker is elevated with exquisite trims, including wide satin and leaf bows, and elegant pearl cluster details.

We provide a high level of customer service to each and every client, whilst covering a wide range of price points and industries.

A system that works

From careful design – right through to our manufacturing process – we strive to create beautiful products that are kind to both the planet, and the people with whom we work. Wherever we can, we choose sustainable materials that can be reused, recycled, composted, or biodegraded.

Please see our eco icons throughout this brochure which will help you to identify the recyclability and reusability of our products.

The recyclable product icon indicates that the product itself is recyclable, this includes products with limited hot foil stamping.

The recyclable packaging icon indicates that the packaging of the product can be fully recycled, even the PET window too, if applicable.

The reusable contents icon indicates that the contents within your product can be used and enjoyed again and again.

The non plastic contents icon indicates that the contents within your product are free from plastic and are eco friendly.
